

I oppose loosening the rules designed to promote and protect diversity of media ownership. These rules were adopted to ensure that the public would receive a diverse range of viewpoints from the media, and not simply the opinions of a handful of media conglomerates. The cable ownership

cap is a crucial element of our democratic media, and it should not be weakened.

Let's stop the narrowing of opinion and ideas. The future of our country depends on a broad palette of idea and thought. Let's make Teddy proud!
